President's Welcome

The Valley of the Moon Vintage Festival Board of Directors welcomes you to celebrate the 98th anniversary of the oldest wine festival in California.

This weekend we not only honor the annual grape harvest in one of the world's most famous wine growing regions, but also celebrate the colorful history of Sonoma.

The Valley is the site of the last of California's 21 missions; the home of the Bear Flag Revolt which declared independence from Mexico; and the birthplace of the California wine industry.

Vintage Festival weekend offers locals and visitors alike a taste of old-time "Americana," a precious commodity rapidly vanishing from our fast-paced world, but held steadfastly dear to the hearts of all of us familiar with what transpires on this last weekend in September.

We look forward to seeing new friends and old on the Plaza, watching our firemen do battle with water, listening to our Home-town Band in the Big Parade, sampling our outstanding Sonoma Valley wines, and supporting more than 30 of our local nonprofit organizations whose booths line the sidewalk.

It is indeed a special time, and I feel very privileged to be associated with all the unselfish people who diligently labor all year to provide a great festival weekend for all to enjoy.

A special thanks to all my director colleagues, and our numerous volunteers, for their hard work — and to all of you who attend the Vintage Festival. We're glad you're here!
